Download 232.43 KB File Size 1 File Count November 28, 2018 Create Date April 2, 2019 Last Updated Download FileActionThe_Mandera_County_Education_Bursary_Acct_2014.pdfDownload Updates on the Mandera County Bursary Fund Following alot of queries by students and parents, we are happy to inform you that Mandera County Bursary Fund has finally been approved by the County Assembly of Mandera. The Honourable MCAs cut short the debate on the amendments on the Bursary Act and expedientially passed the new Act with amendments. This matter is now at the Executive for disbursement of the funds. The County Minister for Education, Hon. Abyshe has requested for upto the end of July 2015 for the funds to be ready. We do not expect any much further delay in the process given that the County Bursary Board is already constituted and the committees at Wards level are already formed. The CEO of the County Bursary Board has also been recruited by the County Public Service Board (CPSB) and a good number of students have already sent their applications which just need to be processed. Those who have not applied are requested to apply immediately to their Ward Committees. The forms are online and your respective MCAs can also guide you in the process. For the first time in the history of Mandera County, we are looking forward to sending over 400 students to Universities in Kenya after last year's unprecedented achievements by our students in Kenya Certificate of Secondary Education Examinations (KCSE). We assure all these students and many other continuing students that the Bursary Fund set aside will be sufficient for all of you. This is good news to many parents and students who have been waiting for the Bursary Fund to be established. The first disbursement which was first scheduled in April 2015 have been delayed to this point. We understand that alot of our parents and students are frustrated with this delay as they face school fees and college fees demands at their respective schools and colleges. The delay was unavoidable as the Controller of Budget had refused to approve the fund until 8 minor amendments were carried out. Plans are now under way to prioritise release of these funds to the students once the CoB gives it's nod. We take this earliest opportunity to reassure all parents and students once again that the bursary fund is intact and it will never disappear. We also take this opportunity to appeal to our Members of Parliament to set aside some amount for Bursary in their constituencies to ameliorate the efforts of the county government in this area. If only 15% of the total of Ksh 980,600,790 allocated to CDF cumulatively for all the constituencies this FY is allocated to Bursaries, an additional kes147,090,118.5(Millions) will become available to our students over and above what has been set aside by the county Government. This will go a long way in helping many of our poor students. Jumaah Mubarak! Arabul Hadees Description: cid:image002.png,001CD910A.9E10BD10 Hon. Members of Mandera County Assembly, Members of the County Executive present, Chair and distinguished Members of the Bursary Fund Board, Religious Leaders, Civil Society Members Present, Teachers and beneficiary students Ladies and Gentlemen Assalamu Aleikum Warahmatullahi Wabarakatuha, Today we are here to officially launch the 2021/2022 Mandera County Bursary Fund in the amount of Kenya Shillings One hundred and Twenty Million (Kshs. 120,000,000.00) to support bright and needy students pursuing their studies in secondary schools, colleges and universities to tertiary institutions. Mandera County is a predominantly agricultural county and the majority of the population are engaged in agriculture. However, due to the adverse effects of climate change resulting in long dry spells and invasion of locusts, farmers suffer great loss of livestock and farm produce causing them unimaginable suffering leaving many families vulnerable. Mandera County Government puts a high premium on education, with special attention to encourage bright students from poor and vulnerable families have a chance to pursue their dream careers. Ladies and Gentlemen, This being the last bursary in my administration, it is evident that the fruits of devolution has been realized and it's my hope that the next government will also continue to support to ensure the children of Mandera County will have access to quality education. Since the advent of devolution we have recorded a good progress not only in the education sector but also in other sectors like health, water among others. Education is not devolved, it is the work of the national government to provide free basic education and ensure 100% transition from primary to secondary, but we were able to go extra mile and support through provision of bursary to students especially from low income families. Since 2015, the funds that we have disbursed have supported over 81, 969 beneficiaries with far reaching benefits that impacted positively the education sector in Mandera and built the local capacity of our human resource needs. This Financial Year 2021/2022 a total 12,383 beneficiaries will receive bursary fund towards their studies. Allow me to announce that the beneficiaries of the bursary kitu today were vetted by the ward Bursary Board and approved by the Mandera County Education Board in a fair and transparent way. Ladies and Gentlemen, I would like to urge the students and parents to use the funds to support their studies and to ensure that they are not misused. I would like to congratulate the 19, 969 students who posted impressive results which signals a clear progress as regards the overall examination performance. Over 1400 students were awarded C and above meaning they are admitting over 1400 students to universities and colleges. These girls will come and give back to the society and the nation. I would like to thank the County Executive, Members of Parliament, Members of the County Assembly, Members of the County Executive, Members of the County Bursary Board, Religious Leaders, Civil Society Members Present, Teachers and beneficiary students Ladies and Gentlemen, Mandera County Among sub-Counties, Banisa Mixed secondary school was among the top 10 school in the whole nation. I would also like to thank teachers and parents for their sacrifice towards success of our students. Lastly, as we are going for election, I want to urge the population of Mandera to be united and continue to live peacefully and harmoniously. It is now my pleasure to declare 2021/2022 Mandera County Bursary Education Fund in the amount of Kenya Shillings One Hundred and Twenty Million officially launched. Thank you. God bless you and God bless Mandera County.
